

## Teacher Information Sheet

### 3rd Grade: Migration

Students will learn that birds migrate to find food at different times of year. They will learn that some SoCal birds migrate here to breed and other migrate north to breed. They will learn some of the perils of migration.

Take home materials:

1. Migration Scavenger Hunt activity sheet
2. Parks for Birding
3. Local Birds brochure
4. Hand Lens and Feather

Lesson elements

Third - Migration

1. Students watch PBS Video on Migration  
<https://ca.pbslearningmedia.org/resource/idptv11.sci.life.reg.d4kbrd/bird-migration/>
2. Students watch BSP Video: SoCal Birds and the Perils of Migration:  
<https://youtu.be/x5Cmx3QJ4Gg>
3. Activity sheet:
  - a. Side 1 – Students go outside with their Migration Scavenger Hunt activity sheet and their hand lens and search for elements in their environment which will help or hinder migrating birds.
  - b. Side 2 – Students lay on their backs and observe flying birds and try to identify different flight patterns.

⇒ Bonus – Students watch BSP Video: Albie Hates Trash: <https://youtu.be/ZiK1vVXUgEc>
